

# Club Reopening Announcement

Dear Members:

As you are aware, Governor Whitmer has relaxed the Stay Home order allowing businesses to start reopening effective Monday, June 8. We would like to provide you with an update of where we stand moving into Stage 2 of our 3-stage Reopening Plan:

## Clubhouse Dining

- The restaurant and Patio will open on Wednesday, June 10<sup>th</sup> for dine-in and bar service. For the first couple of weeks until we can re-establish our supply chain, menu selections will be limited to those items available. This is temporary only. Bar stools have been removed to comply with CDC recommendations; however, bar service is available table-side from your servers.
- Breakfast and Lunch service is anticipated to begin once inventory and staffing has been normalized.
- Self-serve buffets will not be available. Any buffet service will be tended by staff.

## Hours are as follows:

- Wednesday and Thursday. Bar open from 5:00pm until 11:00pm.  
Appetizers Only: 6:00pm – 9:00pm
- Friday and Saturday: Bar open from 5:00pm until Midnight  
Dinner Service (limited menu): 6:00pm – 10:00pm
- Sunday Cookout: Bar open from 2:00pm until 9:00pm  
Limited Cookout Menu: 2:00pm until 7:30pm

## The restaurant will operate under the following guidelines:

- The restaurant will open at 50% capacity.
- ALL dining areas will be utilized to maximize distance between tables.
- Friday and Saturday reservations are **STRONGLY** recommended.
- A maximum of 6 members/guests per table. Groups to 10 people require manager's approval.
- Patio seating remains on a first-come, first-served basis.
- Disposable menus will be provided.
- The soup & salad bar will not be available.
- Ice water will be served upon request.
- Bar service will be available at tables only – bar stools have been removed.
- Hand sanitizer is available at the entrance and all restrooms.
- Social gatherings of up to 10 people are permitted in the Clubhouse
- Social gatherings of up to 100 people are permitted on the patio/lawn area.

## Updated Changes

- Outside restrooms and showers will be available. Restrooms will be sanitized hourly during restaurant hours of operation. Spray disinfectant will be located in each shower stall. Members are requested to spray down stall after use.
- Contract boat cleaning is now permitted.
- Contract boat repairs are now permitted.
- Bagged ice is on order and expected around the time of reopening.

There will be many noticeable changes through the Clubhouse. All of these are in compliance with CDC recommendations as well as mandates from Michigan State health agencies. All staff members have received Covid-19 safety training. Wellness Checks, masks, gloves and social distancing will be utilized each shift.

As we move towards Stage 3 of our Reopening Plan, further relaxation of restrictions will enable us to return to a “near normal” club environment. Thanks to all members for their continued understanding and support during these trying times. As operational changes do occur, members will be notified via e-mail.

Sincerely,

*Mark Piganelli*
